2. Discussion opened to the Committee

Major points discussed

- Having meeting notices put into the local news paper for more community attendance.
- St. George City Air Quality Ordinance is back for second Staff review, which will put it 2 weeks out from city council (*Hopefully*).
- “Top Ten Flyer” companies who have donated to the task force will have their logo attached to the front. Bill and Owen will get them printed within the week.
- Workbooks for contractors have been sent for print. We will have them soon.
- Randy, Laurence and Bill have formed a work group for DEQ to hopefully keep funding for southern Utah air testing.
 - a. Task force was asked by Laurence to write a letter to DEQ requesting further funding for Southern Utah so we can measure progress of the task force.
 - b. If they will not we will start doing our own monitoring.

3. Next Meeting Scheduled: (Tentatively) if it changes I will let you know.
