Rebate Availability

City rebate program has been approved by the City Council and may be subject to change or modification at any time. I understand the rebate application must be approved prior to installation of qualifying urinals. Urinals and must be purchased and installed on or after July 1, 2010. Applications must include all information requested. Failure to provide this information may result in the delay or denial of the rebate.

Rebate Qualification

This program is open to existing City of St. George commercial water utility customers. This program offers a rebate for replacement of older (pre-2000) model urinal with a **WaterSense** labeled urinal using half gallon or less of water per flush. A list of qualifying models can be found on the EPA's WaterSense website: <http://www.epa.gov/watersense>. This program will run from July 1, 2010 until June 30, 2012 or funds are depleted, whichever occurs first. The original meter set date will be used to determine the age of the urinal being replaced, i.e. if the set date is December 31, 1999 or earlier, applicant is eligible for the rebate.

Application Details

Application must be pre-approved for the rebate prior to the installation of qualifying toilets. This is done so funds can be reserved and the rebate paid after the project is complete. Applications are subject to verification by City. If your application is selected for verification, it will not be processed until the verification process is satisfactorily completed. Rebates will be paid in the form of a credit issued on the utility account.

City is not responsible if your retailer or contractor provides inaccurate information about the amount and/or conditions of the actual rebate and City will not pay rebates for fixtures that are mislabeled or misrepresented by dealers regarding rebate qualifications.

Rebate Limitations and Limitation of damages

Payment of the rebate by City does not warrant the performance of qualifying/installed replacement toilet and does not guarantee any specified amount of water or cost savings. The customer shall independently evaluate any information related to the qualifying toilet.
