SkyWest Airlines' Eleventh Annual Mini Indy puts Charity on the Fast Track

For Immediate Release

St. George, Utah, Feb. 21, 2011 – Pit crews, adrenaline-junkies, and racing speeds up to 27 miles per hour can only mean one thing: SkyWest Airlines' eleventh annual Mini Indy!

In partnership with the City of St. George, the SkyWest Airlines' annual Mini Indy is an opportunity for businesses from around the world to compete for a cause. From the greens to the race track, sponsors have contributed nearly \$1 million to local charities and scholarships in event's eleven-year history.

"SkyWest believes in supporting the communities where we live and work, and Mini Indy brings companies from all over the world to our home town," said Chip Childs, SkyWest Airlines President and COO.

Nearly 40 businesses from around the world will participate in Mini Indy and its surrounding events, which include a private golf tournament and scramble at Sunbrook Golf Course, the pit crew competition, a race dinner sponsored by United Way Dixie and more!

The race will begin at 10 a.m. on Friday, March 25 where teams will push their go-carts to the limit in pursuit of Mini Indy fame. This year's participants will take advantage of the new race track at the former SGU airport complete with new speedway challenges. The racers will compete for the championship trophy in a series of heats throughout the day.
