### **New Outdoor Program at the Tonaquint Nature Center- St. George, UT**

Calling all Greenies! Come join us this weekend for a new Saturday Morning Exploration program at Tonaquint Nature Center! This month we are going to explore the surrounding environment and discover ways we can become more "green". Whether you are a first-rate conservationist, or just starting to recycle, join us on Saturday, October 11th, 2008 at 10:00 am. This family-centered program is free of charge and lasts approximately one hour. Come join the fun and you'll see- it's so easy to go green. The Tonaquint Nature Center is located in Tonaquint Park, 1851 South Dixie Drive. For more information please call 627-4560.
