**City of St. George and Dixie Escalante Invite the Community to the Celebration of Public Power Week**

The City of St. George and Dixie Escalante Electric are working together to celebrate Public Power Week, a national event that highlights the benefits of public power utilities. The annual celebration of Public Power Week is planned for October 11, 2008 from 10:00 am to 3:00 pm at the City Town Square located at 82 S Main Street. This is a chance for our customers to learn more about the services provided by their electric utility such as:

- Conservation and Efficiency programs
- Economic benefits by supporting local businesses
- Utility programs
- Renewable energy
- Career Information

There will be several demonstrations and activities such as:

- High Voltage demonstration
- Electrical Safety
- Cake Walk hosted by the Girl Scouts of America
- Solar Cook Off
- Solar, wind and hydro power generation
- Activities for kids to enjoy
- Informational booths by several local vendors

There will be activities for all ages, free hot dogs and drinks, while supplies last, as well as information about various programs available offered to help customers increase their energy efficiency. Join us for the fun and the opportunity to win some free gifts and bring home some useful information.
