### **Seamless Summer Open House Announcement**

St George, Utah—It is already February and before you know it school will be out for the summer. Do you know what activities your children can get involved in? Join the City of St. George Leisure Services Department and Community Education, along with other area non-profit organizations, for a “Seamless Summer” Open House on Thursday, April 23 from 4:00-7:00 pm.

The Open House will be held at the Washington County St. George Branch Library located at 88 West 100 South in the downstairs conference room. The Open House will provide parents and children the opportunity to check out what fun activities are available for this coming summer. There will be information on sport camps, golf programs, nature camps, dino camps, art related camps and workshops, science camps and more. Representatives from various summer programs will be available to provide information and answer questions on their programs.

The Seamless Summer Open House is free to the public and everyone with children and grandchildren are encouraged to take advantage of this special Open House. This is a perfect time to start planning activities for your children all summer long.

For more information about the Open House you may call the St. George Recreation Center at 627-4560 or Community Education 652-7675 or visit St. George City’s web site at [www.sgcityrec.org](http://www.sgcityrec.org).
