St. George Leisure Services Department Receives URPA Award

St George, Utah—The St. George Leisure Services Department has been honored for its commitment to quality programming and design and service to the community for leisure and recreational opportunities. The Utah Recreation and Parks Association held its annual conference in St. George at the Dixie Center this week and awarded the St. George Leisure Services Department with an award for excellence for their commitment in the Parks and Recreation field.

On Tuesday, March 9th the St. George Leisure Services Department was awarded the URPA's Outstanding Program of the Year for its innovated youth skateboard summer camps. The Department has offered the Little Grinders camp and Future Shredders camp for over 2 years. This summer, the skateboard camps will be expanded to offer a girls only skateboard camp entitled, Skater Girlz.

The St George Leisure Services would like to recognize LipTrix BoardShop for their assistance and support over the years making skateboarding popular in St. George. Registration is now open for all three skateboard camps. For more information on particular camp dates visit www.sgcityrec.org or call the St. George Recreation Center at 627-4560.

Congratulations to the St. George Leisure Services Department for its continual hard work and effort to provide quality programs for the community's youth.
