May 2, 2013

Dear Mayor and City Council:

The 2013-2014 fiscal budget for the City of St. George is respectfully submitted for your consideration. This budget is prepared with the cautious optimism that our economy will continue to improve in 2013-2014. The completion of the Family Dollar Distribution Center and the hiring of new employees will help that economic recovery. The budget is balanced in accordance with prudent budgetary philosophy and in conformance with Utah State law. The budget, while conservative, contains many major projects.

2012-2013 saw continued growth at our new airport and the announcement of air service to Denver, as well as weekly charters using this incredible facility. Other projects completed include: (1) completion of the Dixie Drive Interchange in partnership with the Utah Department of Transportation; (2) completion of Red Hills Parkway and associated trails and medians; (3) completion of the Dixie Drive and Riverside Drive widening project providing additional east west traffic capacity; (4) completion of the Mathis Bridge widening project; (5) completion of improvements to our flood control and trail system along the Santa Clara and Virgin Rivers, with only a couple of projects remaining to be completed; (6) completion of a new road adjacent to the Dixie Center connecting Riverside Drive to the new Dixie Drive Interchange; (7) completion of a major storm drain to the Virgin River; (8) completion of a pickleball facility which has been recognized on a State level for its state-of-the-art design and unique public/private partnership; (9) completion of upgrades, new landscaping and parking at the Tonaquint Park; (10) completion of improvements on 1450 South to 3000 East; (11) design is complete for improvements on 3000 East; (12) flood protection improvements to the Gap Wash will be completed by July 1; (13) reorganization of the Parks Division was completed to better facilitate the maintenance of our ever-increasing parks and trail system; (14) completion of a new software program in Finance for payroll and plans to have a new program to present our utility bills through email, as well as payroll

check stubs; and (15) our Fleet Division was once again certified as an ASE Blue Seal Certified shop. Only 10% of fleets in the USA and only one other Utah city hold this certification.

This budget for 2013-2014 is submitted with increased revenue and expenditures reflecting a continued mild optimism that our local economy will continue to improve and grow.

### GENERAL FUND

The total budget for the General Fund being recommended is \$48,701,807. This is broken down into the following categories: Personnel Services - \$31,186,550 or 64%, Materials & Supplies - \$14,781,492 or 30 %, and Capital Outlay at \$2,733,765 or 6% of the total. The General Fund consists of the following departments: General Government, Public Safety, Community Development, Public Works, and Leisure Services.

### GENERAL FUND REVENUES

Revenues for the General Fund are categorized as follows: taxes, licenses and permits, intergovernmental, charges for services, fines and forfeitures, and other.

The taxes category is the largest source in the General Fund. Revenue from this category is estimated for 2012-2013 at \$29,750,000. \$30,600,000 is the estimate for 2013-2014, representing an increase of 2.9%. This category represents approximately 63% of the total General Fund revenue.

- A. Property tax is the second largest source in this category. The estimate for the current year is \$7,700,000. The projection for 2013-2014 is \$8,000,000 or an increase of 3.9%.
- B. Sales tax is the largest source of revenue in the General Fund. Of the 6.25% sales tax rate for Washington County, 1% represents the City's general fund share. The end of year estimate for 2012-2013 is \$14,000,000; 2013-2014 is \$14,500,000, for an increase of 3.6%.
- C. Franchise taxes are generated from a 6% charge on gross receipts for utilities, including natural gas, cable services, and electricity. Also, a 4% fee is charged on gross receipts from telecommunication service provided in the City. We estimate \$6,400,000 for the current year and have used \$6,500,000 for next year.

Licenses and permits are comprised of business licenses, rental ordinance fees, building permits, and dog licenses. The largest source in this group is building permit fees. The estimate for revenue from building permits for 2012-2013 is \$1,300,000. I have used the same number, \$1,300,000, for next year. This revenue category is projected at \$2,032,000 for 2013-2014.

Intergovernmental consists of federal grants, state grants, Class C road funds, liquor funds, airport revenue and contributions for resource officers. The estimate for 2013-2014 is \$5,366,618. The single largest source in this category is Class C road funds estimated to be \$2,500,000. Airport revenue is programmed at \$850,000.

The following is a breakdown of the General Fund revenue for the past two years with a recommended 2013-2014 figure.

	2012 ACTUAL	2013 ESTIMATED	2014 RECOMMENDED
Taxes	\$28,381,246	\$29,750,000	\$30,600,000
Licenses & Permits	\$1,751,539	\$2,032,000	\$2,032,000
Intergovernmental	\$4,748,192	\$4,773,725	\$5,366,618
Charge for Service	\$3,278,432	\$3,496,750	\$3,608,690
Fines & Forfeitures	\$995,256	\$1,018,000	\$1,017,000
Other Revenue	\$5,342,995	\$5,743,050	\$6,077,499
<b>TOTAL REVENUE</b>	<b>\$44,497,660</b>	<b>\$46,813,525</b>	<b>\$48,701,807</b>

GENERAL FUND EXPENDITURES:

The recommended new positions in the General Fund are: (1) Park Planning Assistant in the Park Planning Division; (2) Cemetery Maintenance Worker; (3) Equipment Operator at the Reuse Center; (4) the budget also includes new positions in the Parks from the reorganization implemented late in the 2012-2013 budget.

City employees have been challenged to do more with less during these difficult economic times. They have responded well and our service levels remain high. Our health insurance program will see an increase of approximately 4.5%. I am

recommending that the City pay for this increase. I am also recommending the City continue the longevity program and small increases in retirement contribution rates from the State Retirement System. The market-based salary program for employees was discontinued several years ago due to the dramatic economic downturn. I am recommending a return to that salary plan to bring our salaries more in step with comparable cities and towns across the State. Any changes would be made after a market survey is completed in September with approved changes to be effective beginning December 1, 2013.

Major changes and Capital Outlay expenditures recommended in the budget include: (1) \$1,500,000 for Phase 1 of a regional drainage project in the Fields area; (2) increase of \$500,000 to the pavement management program to do more

maintenance on City streets from \$1,700,000 in fiscal year 2012-2013 to \$2,200,000 in 2013-2014; (3) \$1,740,000 for street improvement on 3000 East from 1450 South to 1700 South; (4) \$1,650,000 for 3000 East from 700 South to 1450 South; (5) \$860,000 for widening and improvements on Little Valley Road; (6) \$2,200,000 for improvements on Indian Hills Drive; (7) a new bus in the Transit Division at \$365,000; (8) \$639,000 for improvements at the Hela Seegmiller Historic Park; (9) \$132,000 for a trail head on Webb Hill; (10) \$134,500 for the Sun River trail extension; (11) \$370,000 for

extension of the Little Valley neighborhood park; (12) \$500,000 for completion of the Royal Oaks community park; (13) \$183,000 for St. James Park; and (14) I will be recommending some additional supplemental capital projects from the Capital Projects Fund later in the budget process.

#### ENTERPRISE FUNDS:

##### Review of Water Services Fund:

This fund is responsible for potable and irrigation water to City residents. The rate increase in the Water Fund during the current fiscal year has provided necessary funds to make our debt service coverage ratios and get this fund back in a positive cash position. Recommended Capital Projects for 2013-2014 are: (1) continued replacement of old lines at \$860,000; (2) \$1,000,000 for a storage tank above the St. George Industrial Park; (3) \$276,000 for various irrigation system improvements; (4) \$267,200 in equipment with the largest purchase being replacement of the 1996 front end loader for \$120,000; and (5) a new SCADA position is recommended which will be offset by elimination of an engineering position.

#### Review of Energy Services Fund:

This fund is responsible for providing electrical service to City residents north of the Virgin River. Those residents south of the river are served by Dixie Power. The rate increase in 2012-2013 has allowed the department to meet its debt service coverage requirement and obtain a small positive cash balance. The largest item in this budget is over \$39,000,000 in wholesale power purchases and over \$4,500,000 in natural gas purchases. Even with the rate increase, our rates remain lower than most of the other public utility companies in Utah, as well as the investor-owned company. Major projects in the Capital Outlay area of this fund are: (1) \$588,731 in distribution system improvements, including the 700 South underground project at \$200,000; (2) \$329,000 in equipment with \$125,000 for an under dog puller; and (3) \$137,000 for a mini backyard bucket/digger as the larger items.

#### Review of the Drainage Utility Fund:

This fund is responsible for projects to better handle storm run-off throughout the City. Major projects the past two years, including City matching funds for the FEMA flood restoration projects, have depleted this fund. I am recommending \$200,000 for improvements to the City Creek drainage, recognizing that no other funding will be available in this fund until the 2015-2016 fiscal year.

#### Review of the Municipal Building Authority Fund:

This MBA fund is used to account for the issuance of lease-purchase bonds for various City projects. The only two projects in this fund are the Woodward School restoration grant from the Community Impact Fund for the School District which the District pays the bond payment; and the Police Department building paid for by impact funds and a transfer from the General Fund. This fund has a balance of over \$200,000 which I am recommending be transferred to the Capital Project Fund for improvements to the City Annex Building on 200 East for additional office space for the City's Police Department.

#### Review of Wastewater Collection and Treatment Fund:

The Wastewater Collection fund is responsible for collecting sewage from homes and businesses in the community and transporting it to the treatment plant. The treatment plant treats sewage from our City, Washington, Santa Clara and Ivins. Rates were decreased in this fund in the 2012-2013 fiscal year which was a reduction of 47.5% per equivalent residential unit. However, this fund has ample balances to ensure financial stability. Projects recommended in these funds are: \$700,000 for a bio-solids equipment upgrade, \$250,000 for replacement of the SCADA system; \$500,000 for sewer collection system upgrades with the majority

being spent in the Dixie Downs area; and \$225,000 for replacement of a TV van. Our preventative maintenance and cleaning program has significantly reduced sewer back-up problems and claims.

Golf Course Operation Fund:

This fund is responsible for the operation of City-owned golf courses: Dixie Red Hills, Southgate, St. George Golf Club, and Sunbrook Golf Club. Revenues estimated for the current year are projected about the same as last year, so this fund will have a deficit at year-end. As mentioned last year, if sales tax charges and credit card discounts were removed, it would be possible to get very close to break-even. I am recommending we continue to transfer funds from the Economic Development Fund to cover changes made recently to the management structure and the portion of sales tax the City receives from golf fees. Additional alternatives to reducing

expenses in this fund will be discussed with the Mayor and City Council during the budget approval process.

Review of the Solid Waste Fund:

Solid waste in the City is handled by the Washington County Solid Waste District. The City collects the monthly charge and remits funds to the District. This includes a transfer of \$220,000 to offset General Fund costs of collection and billing. Total for 2013-2014 is \$3,758,750.

Review of the Capital Projects Fund:

This fund is used to account for major City-wide projects that cannot be funded in the General Fund because they may take more than one year to complete or go beyond the fiscal year end. At the end of each fiscal year, surplus funds, if available, are transferred to this account to be used for one-time capital projects. I am recommending a special account be established in this fund where important one-time equipment items or improvement projects from the General Fund can be considered for funding and surplus funds from the General Fund could be transferred to this account. I am recommending the following from this account: (1) six replacement vehicles in the Police Department for \$219,600; (2) \$195,000 for replacement of the underground fuel tanks at Fleet; (3) \$50,000 for painting at the City Office Building; (4) \$252,000 for a replacement street sweeper in the Streets Division; (5) Snow Canyon Parkway and Tawa Ponds landscape improvements at \$133,000 (carryover from 2012-2013); (6) \$187,000 for improvements and upgrades to the swimming pool and SHAC; and (7) \$400,000 to the City Hall Annex to complete offices and improvements for the IT Division and Police Department.

Review of the Public Works Capital Project Fund:

Funds are transferred into this account from other departments because often multiple sources are necessary to finish certain improvement projects. The major

projects recommended for 2013-2014 are: (1) annual \$802,342 pass-through payment from Desert Canyons to UDOT for interchange improvements on the Southern Corridor; (2) \$2,200,000 for the pavement management program; (3) 3000 East Phase I for \$1,740,000; (4) \$1,650,000 for 3000 East Phase II; (5) \$1,500,000 drainage backbone system/trail in the Washington Fields area; (6) \$2,200,000 for widening and improvements on Indian Hills Drive; (7) \$860,000 for improvement of Little Valley Road; and (8) \$451,000 for an erosion protection project with FEMA in the Sunbrook area. While no funds are included, I believe the #1 priority for transportation improvement is the construction of the Mall Drive bridge. I believe with participation from adjacent property owners and a refinance of a road bond, this may be a reality for fiscal year 2013-2014.

Review of Transportation Improvement Fund:

This fund was created when voters authorized a 25¢ local highway option sales tax for transportation purposes. Revenues from highway option sales tax are estimated at \$4,515,000 for 2013-2014. Recommended transfers are: (1) \$500,000 to SunTran, an increase of \$150,000 over previous years; (2) \$1,901,250 for debt service on the 2007 sales tax/highway bonds; (3) \$1,600,000 for pavement management projects; (4) \$1,000,000 for Phase I of the 3000 East project to transfer to the Public Works Capital Fund; (5) \$700,000 to the PWCP fund for Phase II of 3000 East improvements; (6) \$600,000 to the PWCP for the Indian Hills project; and (7) \$620,000 for Little Valley Road improvements. After 2013-2014 projects are completed, very few funds will be available until the bonds are paid off.

Review of the Street Impact Capital Project Fund:

This fund accounts for all impact fees collected for street infrastructure projects associated with new growth. The revenue estimate is \$900,000 for 2013-2014. Projects planned are (1) \$800,000 for a portion of improvements on Indian Hills; (2) \$240,000 for Little Valley road improvements; (3) \$540,000 to the PWCP for widening of 3000 East Phase I project; and (4) \$950,000 for Phase II of 3000 East street improvements.

Review of the Drainage Impact Capital Project Fund:

This fund accounts for impact fees paid for by new growth for drainage improvements. Estimate of revenue for 2013-2014 is \$451,000. Major projects proposed for 2013-2014 are (1) \$900,000 for a Phase 1 storm drain and trail project in the Washington Fields area; and (2) \$800,000 for the Indian Hills improvement project.

Review of the Parks Impact Capital Project Fund:

This fund is responsible for new park and trail projects associated with demands created by new growth in the City. Impact fees are charged on all new residential building permits and projects on the capital project list and are funded as resources become available. Estimates for 2013-2014 are higher than past projections and should reach \$1,500,000. Major projects recommended include: (1) \$350,000 for purchase of needed neighborhood parks property; (2) \$639,000 for Seegmiller Park; (3) \$150,000 to finish the Little Valley maintenance building; (4) \$500,000 for Phase II of the Royal Oaks Park; (5) \$370,000 for an addition to the neighborhood park in Little Valley; (6) \$183,300 for St. James Park improvements; (7) \$134,500 for a trail in the Sun River area; and (8) \$132,500 for a trail head on Webb Hill.

Review of the Fire Department Impact Capital Project Fund:

This fund handles impact fees collected from new growth to offset demands on fire services. Revenues received in 2012-2013 may be sufficient to cover the deficit incurred for the Sun River substation. We could have a positive balance of \$190,000 at the end of 2013-2014.

Review of the Police Department Impact Capital Project Fund:

This fund accounts for all police impact funds collected from new growth and these revenues are used to help pay the annual debt service payment for the police building. Several years ago we issued bonds through our Municipal Building Authority for the police building and pledged impact fees as one source of payment on the building, and we also transfer funds from the General Fund to cover the entire debt service. \$65,000 is anticipated for the upcoming year.

Review of the Replacement Airport Fund:

This fund accounts for all grants and expenditures for the new airport recently completed. Construction is complete and we are doing the final closeout. We hope to close the construction portion out by the end of fiscal year 2013. We will need to keep this fund active to handle the Letter of Intent Grant funds from the FAA to pay SITLA land costs and the Wastewater Fund back.

Special Assessment Debt Service Fund:

This fund is where special assessment payments are accounted for and debt service payments are made. All districts have been closed and now attention will be focused on collection of those accounts that remain outstanding.

Review of Dixie Center Operations Fund:

This fund accounts for innkeeper fees collected to help cover the cost of the Dixie Center. Revenues from innkeeper fees have increased these past years and the estimate for 2013-2014 is \$511,000. Ownership of the Dixie Center is handled

through an interlocal agreement with Washington County where the County pays 62% and the City pays 38%. The City and County split management responsibilities and the County transfers funds to cover our costs over our participation level. We also transfer funds to this category from the General Fund to cover our share of the costs to own and operate this facility which generates significant sales tax revenue. 2013-2014 expenditures are projected to be \$943,168.

Review of the Perpetual Care Fund:

This fund receives fees paid to help with the maintenance of the cemetery. The fees are estimated at \$88,500 for 2013-2014. It is proposed that \$48,000 be transferred to the General Fund from this account to help cover some of the general operating expenses of the cemetery, and \$100,000 for improvements at Tonaquint for a niche wall to accommodate cremation remains (carryover from 2012-2013).

Review of the Recreation Bond Debt Service Fund:

This fund receives property tax revenue earmarked for retiring of debt from the G.O. bond issuance for parks and recreation projects already completed. Our debt requirement from this fund is \$1,413,200 for 2013-2014. We plan to refinance these bonds in July if the market stays favorable.

Review of the Airport Boarding Fee Fund:

This fund receives revenue from an airport passenger facility charge at our airport. The recommended revenue figure is \$205,000 for 2013-2014. These funds can only be used for certain projects at the airport. These funds have been recommended to help with pavement sealing at the airport.

Review of the Dinosaur Track Preservation Fund:

Now that the Dinosaur Foundation is operating the museum the only expenses are for maintenance and insurance at \$2,000, leaving a fund balance of \$57,000.

Review of Community Development Block Grant Funds:

This fund accounts for federal Community Development Block Grant funds that come to the City because of our entitlement status. Available funds for 2013-2014 are reduced because of federal budget cuts and are estimated at \$424,662. The funds are very restricted and can only be used for projects that benefit low to moderate income individuals. Projects include roll-overs from last year and new ones for 2013-2014 and are: (1) \$100,000 for the down payment assistance program; (2) \$229,730 for a homeless/shelter project; (3) \$10,000 for the KONY Kids program; and (4) \$84,932 for CDBG administration.

Review of Self Insurance Fund:

This fund handles insurance premiums for various City insurance coverages. It also

serves as a fund for those claims not covered by our insurance. Assessments are made to the various departments based on a formula of coverages. Estimated expenditure for 2012-2013 is \$475,000. 2013-2014 expenses are projected at \$495,000.

Review of Transit Operation Fund:

This fund is responsible for providing bus service to specified areas of the City. Current service is 40 minutes. No route expansions are included, however, Ivins

City would like to establish a route and further discussions will be held on this possibility. The transfer from the Transportation Improvement Fund to this fund is proposed to increase from \$350,000 to \$500,000. There is a fund balance in this account and the purchase of a new bus is recommended.

Review of the Museum Permanent Acquisition Fund:

Each year the Mayor and City Council appropriates funding for purchase of arts and artifacts for the City's permanent art collection. This account reflects spending \$15,550 in 2013-2014, leaving a balance of approximately \$41,000.

Review of the Economic Development Fund:

This account is used to fund economic development activities in the City. \$218,000 is recommended to be transferred to the Golf Course Fund. Also, \$27,241 is recommended to be transferred to the Airport Debt Service Fund to cover the cut from the federal government for the Build America bond interest.

Review of Redevelopment Agency Fund:

This fund accounts for projects in the redevelopment area boundary which is basically a fourteen block area from 500 East to 100 West on both sides of St. George Blvd. and a few blocks along Tabernacle Street. Through interlocal agreements with the School District, County and Water Conservancy District, the Agency has been extended to 2015. Debt service for the bonds issued for the Town Square will be \$477,525 for 2013-2014. Revenues are projected to be down and hopefully we can build a little more in our fund balance because debt service increases significantly the last year of the bond repayment schedule in 2014-2015.

Review of the Dixie Center Economic Development Agency Fund:

This fund was created in 1997, expires in 2018, to allow tax increment to be collected from development occurring around the Dixie Center. The amount of increment was capped at \$3,500,000. This revenue was used for land acquisition, roadway improvements, and other infrastructure improvements which support economic development in this area. The major expenditure recommended from this fund is for debt service at \$324,875.

### Review of the Ft. Pierce CDA

This fund accounts for revenues received from improvements made by new companies locating in the Ft. Pierce Business Park in the Community Development Area (CDA). Family Dollar is the newest business and based on the incentive agreement the CDA will receive 25% of property taxes paid by Family Dollar. YESCO is receiving an economic incentive of \$30,000 and 2014 will be their last one. \$550,000 is the CDA's portion of debt service for the 2007 sales tax bonds used for the City's portion of the Southern Parkway project and Airport Parkway improvements.

### Review of the Economic Development Agency Ft. Pierce EDA #1

This fund recognizes property tax revenue from businesses locating in the Ft. Pierce Business park in the project area #1. Fiscal Year 2013-2014 is estimated to have \$378,000 in revenues. Expenditures include the incentive payment of \$70,000 to Czarnowski and \$75,000 to the City's affordable housing fund. 2013-2014 will be the first some of the tax increment will be returned to the various taxing agencies.

### Review of the Economic Development Agency Ft. Pierce EDA #2

This fund accounts for property taxes from businesses located in EDA #2 boundaries. The major business receiving incentives in this EDA is Wells Dairy and \$193,000 is programmed for Wells Dairy per the incentive agreement. This fund transfers \$120,000 to the City's affordable housing fund. \$265,000 has been budgeted from this fund for debt service payments for the 2007 sales tax bonds which funded improvements on the Southern Corridor and Airport Parkway.

### Review of the Sales Tax Bonds Capital Project Fund

This fund accounts for proceeds from the issuance of 2007 sales tax revenue bonds. All projects will basically be finished from this bond issuance by the end of Fiscal Year 2013. Debt service for 2013-2014 is \$3,029,744.

### Review of Affordable Housing Special Revenue Fund

This fund accounts for transfers from Ft. Pierce EDA #1 and EDA #2 which represents 20% of revenues received in these funds. These funds are available for

housing projects as approved by the Mayor and City Council with special effort being given to the historical downtown area. 2013-2014 estimates are \$195,000.

### Review of the Police Drug Seizures Fund

This fund is used to account for dollars or assets received from drug seizures made

by our Police Department. \$4,000 is again projected to be expended from this fund for 2013-2014.

#### 2009 Airport Revenue Bond Debt Service

This fund is necessary to account for the debt service for the Replacement Airport bond issue. Revenue is \$700,000 from the County per the interlocal agreement and \$265,000 from the federal government as part of the interest rate rebate from the Build America bonds issued for this project. We received a reduction from the federal government resulting in a \$27,241 transfer from other funds to make up the shortfall.

#### Fund Balance

One important measure of the financial well-being of a community is its fund balance. Utah State law was changed in 2013 and now allows cities to accumulate fund balances in the General Fund up to a max of 25% of the anticipated total General Fund revenues estimated for the next fiscal year. The general rule is that cities with a 10% to 11% fund balance are considered financially healthy. The City of St. George should have in excess of 12% in this fund at the beginning of 2013-2014 and it is not anticipated any funds from this account will be used during the upcoming fiscal year.

#### Summary of the 2013-2014 Recommended Budget

This budget is balanced and does not propose any increase in the certified tax rate. The General Fund amount is \$48,701,807.

This budget is the 38<sup>th</sup> one I have submitted for consideration by the Mayor and City Council and reflects the positive position that the local economy is improving.

Again this year Deanna Brklacich has dedicated countless hours to this budget process and without her efforts it could not have been completed. I express my appreciation and thanks to her for those efforts. I also express appreciation to the department heads who have responded to budget requests in a timely manner and helped in this important document.

Respectfully submitted,

Gary S. Esplin  
City Manager

**MAYOR & CITY COUNCIL**

The Mayor and five-member City Council are elected by the citizens of St. George and are the legislative and governing body of the City. They have the duty to exercise and discharge all of the rights, powers, privileges and authority conferred upon them by State law and other laws of the City. The City Council convenes on the 1st and 3rd Thursday of every month whereby they review and vote on the passage of all ordinances, resolutions, and other City business for the betterment of the community.

**CITY MANAGER**

The City Manager is under the direction and control of the Mayor and City Council and acts as the liaison between the City departments and the Mayor and City Council. The City Manager is the administrative head of the City and is responsible for the efficient administration of all affairs of the City. The City Manager attends all City Council meetings and recommends adoption of measures and ordinances deemed necessary. The City Manager's duties also include enforcement of all laws and ordinances of the City; oversight of all Department Heads and subordinate officers and employees of the City; implementation of City Council policy decisions and long-range plans; oversight and reporting of the City's financial condition and preparation of the annual budget; and many additional duties required by law.

**ADMINISTRATIVE SERVICES**

The Administrative Services Division supports the City Manager and other City departments in their financial management, budgeting, procurement, and recordkeeping responsibilities. The City Recorder has various duties including attending and keeping records of City Council meetings; supervising municipal elections; maintaining records of ordinances, resolutions, and other records of the City; and other duties assigned by the City Manager. The Budget and Financial Planning Manager oversees the preparation of the City's annual budget and submits it to the City Manager and Mayor and City Council for recommendations and approval. The Purchasing Division is responsible for the City's central purchasing and procurement functions and for oversight and employee compliance with the City's purchasing policies and procedures.

**FINANCE**

The Finance Department is responsible for a variety of financial functions including maintenance of the City's general ledger for the many funds and account groups of the City. The Finance Director prepares monthly and annual financial reports for the Mayor and City Council, and other City departments. This includes preparing the Comprehensive Annual Financial Report for submission to the Utah State Auditor's office within six months of the close of each fiscal year. The City Treasurer oversees the collection, deposit, investment, and disbursement of all City funds. The Finance Department also includes Accounts Payable, Utility Billing and Business License responsibilities. Over 30,000 utility billings are prepared, mailed, and collected each month by department personnel.

**TECHNOLOGY SERVICES**

Technology Services is responsible for the City's information systems which includes servicing all of the City's computer hardware, software programs, network, and web development and programming. The Government Information Systems (GIS) division is also part of Technology Services. GIS supports the integration of geographical information with services provided by other City departments. GIS personnel survey and create maps and related data for both the citizens and City employees. Technology Service's mission statement is to provide the highest quality technology-based service, in the most cost-effective manner to facilitate the City's mission as it applies to the management, employees and citizens of the City of St. George.

**CITY BUILDING OPERATIONS**

Building Operations is part of the Support Services division and is responsible for maintenance of City-owned buildings and other facilities. Maintenance includes custodial services, building improvements, security, and all building repairs. Maintenance Technicians also analyze, recommend, and oversee major contracted system repairs (such as heating and air condition systems) and remodeling projects. The Building Operations Division currently maintains 29 facilities.

**CODE ENFORCEMENT**

Code Enforcement activities include the inspection and processing of zoning and nuisance violations. As part of this process, Code Enforcement oversees the Administrative Code Enforcement (ACE) program which provides for the notice, enforcement, and means for assessing and collecting penalties from property owners for code enforcement violations. Code Enforcement is also responsible for administering the Rental Ordinance program.

**ELECTIONS**

The City's Mayor and five-member Council are selected through a municipal election process conducted every two years. The Mayor and two Council members are elected in one municipal election for a four-year term. The remaining three Council members are elected in the alternating municipal election and also serve a four-year term. The City Recorder is responsible for supervising all municipal elections and compliance with state law requirements. Special elections may also occur for the citizens' approval to issue general obligation debt or to approve tax rate increases. Division expenses generally include voting supplies and contracted services for voting judges.

**DEBT SERVICE & TRANSFERS**

The Debt Service Fund is used to account for part of the lease payment for the Police Building paid to the Municipal Building Authority. We first apply funds received from Police Impact fees and then transfer an amount for the difference. This budget also includes our annual Dixie Center transfer.

**POLICE**

The mission of the St. George Police Department is to work with the citizens of St. George to preserve life, maintain human rights, protect property, and promote individual responsibility and community commitment. The Police Department is under the leadership of the Police Chief who oversees several divisions responsible for the various unique aspects of community law enforcement. These divisions are Administrative Services, Patrol, Investigations, Special Enforcement, and Communications. Functions within these divisions include Bicycle Patrol, Motorcycle Patrol, K-9 unit, Drug and Gang Task Force, School Resource Officers, Animal Control, and Dispatch.

**DRUG TASK FORCE**

The City Police Department operates a multi-jurisdictional Drug and Gang Task Force comprised of Police Officers from the City of St. George, Washington County Sheriff's Office, Hurricane Police Department, Washington City, Ivins City, and the Utah Highway Patrol. The Task Force's primary activities include surveillance, serving search warrants, seizing and halting production of controlled substances and documenting known gang members and suppressing their activities. With the exception of salaries, funding is provided by two federal and state grants. One is the High Intensity Drug Traffic Area (HIDTA) grant; and the other is the Byrne Memorial Justice Assistance Grant through the Commission of Criminal and Juvenile Justice (CCJJ).

	2013-14 Approved Budget
Full-Time Employees (Overtime)	\$ 56,900
Part-Time Employees	\$ 19,280
Employee Benefits	\$ -
Materials & Supplies	\$ 151,235
Capital Outlays	\$ 20,500
<b>TOTAL</b>	<b>\$ 247,915</b>

**SALARIES & BENEFITS**

The CCJJ Grant reimburses the City for wages paid to Full-Time and Part-Time Employees. However, it does not reimburse the City for employee benefits; therefore, these costs are included in the Police Department's budget.

**POLICE DISPATCH SERVICES**

The 911 Communications Center is the dispatch center for every police, fire, and ambulance agency in Washington County as well as being the 911 center for the public. Thousands of 911 calls are received as well as many more non-emergency calls which are disseminated from the Communications Center to the appropriate agency. Dispatch personnel are Emergency Medical Dispatch (EMD) certified and attend prescribed training programs to maintain their national and state certifications. The 911 Communications Center is funded both by a 911 surcharge assessed against phone users and also funded by other municipal and emergency agencies who use the Center's services.

**FIRE**

The Fire Department provides emergency response services including fire, rescue, EMS/medical along with Hazardous Materials and specialized rescue. The department also provides fire prevention, code enforcement/inspection and plan reviews along with fire investigations. The department is in charge of the regional bomb/hazardous device response team. The department has a staffing of one hundred (100) full-time and reserve staff responding from eight (8) fire stations located throughout the city. The department has mutual aid agreements with all cities, fire departments and/or fire districts located in Washington County along with being one of the lead agencies in the five county Southwest Regional Response Team which provides hazardous-materials response to the five-county area.

**DEVELOPMENT SERVICES**

The Development Services Department is responsible for assisting citizens and private developers through the City's development codes, design standards, and other development issues. This responsibility includes policy preparation and implementation of development programs and involves the oversight and coordination for building and safety, engineering review, utility and road inspections, and other aspects of private development. In Fiscal Year 2010-11, the Community Development and Development Services departments were re-organized and combined into one department. As such, beginning with Fiscal Year 2011-12, the two budgets have been consolidated into one budget.

	2013-14 Approved Budget
Full-Time Employees	\$ 505,114
Part-Time Employees	\$ 101,000
Employee Benefits	\$ 243,818
Materials & Supplies	\$ 145,159
Capital Outlays	\$ 6,000
<b>TOTAL</b>	<b>\$ 1,001,091</b>

**SALARIES & BENEFITS**

During Fiscal Year 2010-11, the Development Services department underwent a re-organization and was also combined with the Community Development department. This budget reflects the consolidation of the positions of the two departments. During Fiscal Year 2012-13, a Project Manager position was re-assigned to oversee the Building Maintenance Operations department.

**PLANNING COMMISSION**

The Planning Commission works with the Development Services Department to prepare and recommend a General Plan and amendments to the City Council; recommend zoning ordinances and maps to the City Council; administer provisions of the zoning ordinance; recommend subdivision regulations and approval or denial of subdivision applicants; and hear or decide any matters that the City Council designates. The Planning Commission is comprised of a seven-member board appointed by the Mayor and City Council and holds Planning Commission meetings on the 2nd and 4th Tuesday of each month.

**PUBLIC WORKS ADMINISTRATION**

The Public Works Administration Department is responsible for the general supervision, administrative support, long-range planning, and short-term project coordination of the Streets, Engineering, Airport, Drainage Control, and Transit divisions. The Public Works Department's goal is to enhance the quality of life in St. George through excellence in professionalism, services, and effective management of the infrastructure for the public and city organization. The vision statement of Public Works is: "We will meet community needs by being helpful, competent and worthy of trust. We will foster cooperation and teamwork with every employee empowered to work as a member of the team to improve the way we provide our services."

**AIRPORT**

The St. George Municipal Airport is the aviation gateway to St. George and Southwestern Utah. The airport includes a terminal and has 9,300 foot runway with two parallel taxiways which can accommodate regional jet aircraft, 737's and Airbus 319's. The airport offers a full array of general aviation services, including hangers, aircraft tie downs, and fueling services. The Airport divisions responsibilities include daily airport operations and maintenance, management for facility improvements, administration of revenue and grant resources, and other general responsibilities.

**PARKS**

The Parks Division is responsible to keep the parks and other City facilities safe, clean, attractive, and available to the public. The Division provides perpetual care for parks, trails, rights-of-ways, roundabouts, fire stations, police stations, fountains, ponds, City buildings and cemeteries. Their mission statement is to provide aesthetic, safe, and functional facilities that support the recreational and visual needs of the community.

**PARKS DESIGN**

The Parks Design Division is responsible for the design and project management of new parks, trails, and other open space recreational facilities within the City of St. George. The City has set a goal to have one neighborhood park within a 1/2 mile walking-distance of every household. The City is also constructing a regional trail system and sports field complexes. Design staff are integral in formulating designs and working with the community and developers in achieving these goals.

**NATURE CENTER & YOUTH PROGRAMS**

The Tonaquint Nature Center is a recreational facility situated in a natural and undisturbed environment. The facility includes a pond inhabited by many species of fowl and other small wildlife; a trail system, and arboretum. Division personnel strive to increase the understanding, appreciation and knowledge of natural resources while promoting environmental responsibility for our actions for the future generations' welfare. This area's main focus is camps and programs for teens and children aimed to meet the needs and wants of the St. George citizens and surrounding communities.

**SOFTBALL PROGRAMS**

Softball Programs is a program within the Recreation Division. The program coordinator is responsible for the creation, promotion, and management of both softball leagues and softball tournaments at the City's Canyons Complex, Little Valley Fields Complex, and Bloomington Park fields. League events include both a spring and fall league with men, women, and co-ed divisions with a participation of approximately 300 teams. Softball tournaments are held throughout the year with a projection of hosting approximately 20 tournaments, with about 675 teams participating annually.

**SPORTS FIELD MAINTENANCE**

The Sports Field Maintenance Division maintains City-owned athletic fields including the Canyons Softball Complex, Little Valley Softball & Soccer Complex, Bloomington Park, and other facilities. Personnel strive to have City fields in such great condition that each player feels they are playing at a major league type facility.

**YOUTH SPORTS**

Youth Sports is a program within the Recreation Division and is responsible for the creation, promotion, and administration of youth sports such as soccer, basketball, baseball and softball, and flag football. They provide programs not otherwise provided by local community businesses or volunteer organizations. Its mission is to provide a safe and high quality program for the youth of St. George and to function as a fence at the top of a hill to help keep youth from falling off the mountain. The Youth Sports Division works hard to keep costs down and affordable for the majority of citizens and assist those who still can't afford the programs.

**ADULT SPORTS**

Adult Sports is a program within the Recreation Division and is responsible for the creation, promotion, and administration of adult sports such as indoor and outdoor volleyball, basketball, and flag football. It provides programs not otherwise provided by local community businesses or volunteer organizations. Its mission is to provide a safe and high quality adult sports programs. The Adult Sports Division works hard to keep costs down and affordable for the majority of citizens and assist those who still can't afford the programs.

**RECREATION ADMINISTRATION**

The Recreation Administration Division is responsible for the general supervision, administrative support, long-range planning, and short-term project coordination of all City recreation programs and facilities. This includes the Recreation Center, Adult Sports, Youth Sports, Nature Center, Sports Field Maintenance, Softball Programs, City Pool, Sand Hollow Aquatic Center, and other Special Events and Programs. The Recreation Administration Division manages costs associated with utilities, buildings, vehicles, staff training, new program research and implementation, and division-wide marketing and community education.

**EXHIBITS & COLLECTIONS**

Exhibits & Collections is a function of the Community Arts Division. Services include the management and procurement of art and artifacts for display at the City's art museum, known as the Pioneer Center for the Arts. The Division's mission is to educate all visitors through quality exhibitions from all periods, cultures, and media, as well as to collect, conserve, inventory, exhibit, and interpret art and artifacts from Utah and the West.

**COMMUNITY ARTS**

The Community Arts Division is responsible for the general supervision, administrative support, long-range planning, and short-term project coordination all Community Art programs and facilities. This includes the Pioneer Center for the Arts, St. George Opera House, Dinosaur Discovery Site, Arts Festival, Celebrity Concert Series, and other cultural or art events. The division strives to foster, encourage, and promote the arts in the City of St. George for the purpose of enriching and improving the lives of its residents and visitors through the creation, advocacy, and facilitation of arts programming.

**HISTORIC COURTHOUSE**

The Pioneer Courthouse on the corner of 100 East and St. George Blvd. was built by the same craftsmen who worked on the St. George Tabernacle. Work on the Courthouse began in 1867, following a voter approved property tax increase to pay for the construction of the courthouse, and following completion of the Cotton mill. Construction was completed in 1870, a brief 3 year construction period. The original building was 36 by 40 feet and 3-stories high, and included a jail in the basement. Folklore has it that the cupola was designed to hang criminals, though no hangings ever occurred in the building. Today the City owns the building and the Chamber of Commerce occupies most of the building. Various civic meetings are also held in the upstairs "courthouse chambers."

**MARATHON**

The City of St. George hosts the annual St. George Marathon which is administered through the Leisure Services Department. The event is held the first weekend of October and is open to a maximum of approximately 7,400 runners selected through a lottery system. The St. George Marathon is over 30-years old and is rated as one of the most scenic and fastest marathons in the USA. It attracts participants from all over the United States and other countries and is also a Boston-marathon qualifier.

**CAPITAL OUTLAYS**

It is recommended that each year a portion of the Marathon revenues be budgeted to go towards creating a project that leaves a legacy for the City. Each year an idea would be proposed to the Mayor and City Council. This year's funding is recommended to be set aside towards an All-abilities Park to be funded eventually out of the Capital Projects Fund.

**AQUATICS CENTER**

The Sand Hollow Aquatics Center (SHAC) is under the direction of the Leisure Services Department and is an indoor, state-of-the art, year-round aquatic facility. The facility includes a 25m by 25yd competition and diving pool and a 5,800 square foot leisure pool. The leisure pool has a zero depth entry area, interactive children's water fun toys, a water walk (lily pads), and water slides. Facility personnel are responsible for admissions, maintenance, safety, and other daily operating activities. Facility programs include swimming lessons, party rentals, water aerobics, swimming competitions, and other community events such as dive-in movies.

## WATER DEPARTMENT

The purpose of the Water Department is to assure an adequate supply of potable water for the citizens of St. George. The Department is responsible for the maintenance of culinary water distribution lines, storage tanks, and secondary water (irrigation) systems. The Department's focus is on Water Rights, Water Quality, Asset Management, System Mapping, and Water Modeling. The Water Department currently services approximately 22,000 residential and non-residential customers.

**ENERGY SERVICES**

The Energy Services Department is responsible for providing electric power to approximately 28,000 City residential and business meters. This is done through construction and maintenance of an extensive transmission and distribution systems. There are 20 distribution substations and approximately 900 miles of transmission distribution lines. In addition to the T&D system, the Department owns and operates three generation facilities with a capacity of approximately 60 MW of generation capacity. The Department is also responsible for the operation and maintenance of the 138 kV system that is shared ownership with the Utah Associated Municipal Power Systems (UAMPS).

**GOLF DEPARTMENT SUMMARY**

The City of St. George owns and operates four municipal golf courses which are part of the Development Services Department. The four courses are Dixie Red Hills, Sunbrook, St. George Golf Club, and Southgate. The Southgate Game Improvement Center and driving range is also owned by the City. Combined, the golf courses have 72 challenging holes and are open year-round due to the accommodating climate. St. George is both a residential and tourist community. As such, the golf courses are a major attraction for visitors and are a significant contributor to the City's economy and sales tax base.

**RED HILLS GOLF**

Dixie Red Hills was the first golf course developed by the City of St. George. Red Hills opened for play in the mid-1960s and, because of its spectacular red rock setting and playability, has been the favorite of recreational golfers ever since. Red Hills is a 9-hole par-34 layout that meanders around the sandstone cliffs of "Utah's Dixie." This golfer-friendly course also features hundreds of mature Cottonwoods, Mondale Pines, Mesquite, and other trees that provide ample shade during St. George's warmer months. Each hole is quite distinct and will leave a lasting memory in the minds of golfers.

**SOUTHGATE GOLF**

Southgate Golf Course is an 18-hole course and is a favorite among retired players because of its laid back feel. The front side is relatively flat and criss-crosses the Santa Clara river. The back nine at Southgate traverse along Tonaquint Mountain and provides awe-inspiring views of the St. George area. Beginning with Fiscal Year 2011-12, the Southgate Training Center's budget has been combined with the Southgate Golf Course's budget.

**ST. GEORGE GOLF CLUB**

St. George Golf Club is an 18-hole golf course and is the hidden gem of southwestern Utah golf. Prior to its operation by St. George City, this course was called Bloomington Hills. During those years, it struggled to mature. Over the past seven years, St. George Golf Club has become one of the outstanding golf courses in the state. The appeal of St. George Golf Club is its beautiful terrain bordering the Ft. Pierce Wash.

**SUNBROOK GOLF**

Sunbrook is rated by *Golf Digest* as one of the best golf courses in Utah. This rating is a result of a number of elements including scenery, challenge, quality, and service. Sunbrook is the only golf club in southwestern Utah to feature 27 championship holes.

**SOLID WASTE**

The City of St. George contracts with the Washington County Solid Waste District (WCSWD) for the collection and disposal of solid waste for residential citizens within the city. The WCSWD is responsible for supplying solid waste containers and scheduling pick-up dates. The City of St. George bills and collects monthly payments for solid waste services as part of the utility billings for electric, water, and wastewater. As such, the citizens receive only one unified billing which enhances their payment convenience and options for method of payment. A fraction of the monthly garbage fee is kept by the City for their billing services, and the remainder is remitted to WCSWD.

**BUILDING AUTHORITY**

The St. George Municipal Building Authority (MBA) was created in 1993. The MBA fund is an enterprise fund and is used to account for the lease-purchase bonds issued for construction of various projects throughout the City that will be owned by this fund and leased to other funds. The other funds make lease payments equal to the debt service on the related bonds. The Police Department Building is currently the only project leased through the MBA.

**REGIONAL WASTEWATER SYSTEM**

The Regional Wastewater Treatment Plant treats sewage from St. George, Washington City, Santa Clara, and Ivins. The facility currently processes about 9.5 million gallons each day. The plant utilizes an oxidation ditch/extended aeration process that uses physical and biological processes to clean the water. The facility has a 97-98% removal of the contaminants in the water.

**DRAINAGE UTILITY**

In June 2003, the City adopted the Drainage Utility Fee whereby residential and non-residential customers pay a monthly drainage fee per Equivalent Residential Units (ERU) which are determined based on the amount of non-pervious surface. The Drainage Utility fee is used for planning, designing and constructing the City storm water system. These funds are combined with flood control funds to meet capital storm water improvement needs of the City. The City's objective is to provide a city-wide system with a capacity of at least a ten-year storm.

	2013-14 Approved Budget
Full-Time Employees	\$ -
Part-Time Employees	\$ -
Employee Benefits	\$ -
Materials & Supplies	\$ 317,019
Capital Outlays	\$ 144,510
<b>TOTAL</b>	<b>\$ 461,529</b>

**SALARIES & BENEFITS**

There are no salaries and benefits associated with this fund.

**MATERIALS & SUPPLIES**

**CAPITAL OUTLAYS**

Major expenditures are transfers to the Public Works Capital Project Fund as the City's match for a FEMA grant to install erosion protection near Sunbrook Golf Course/Monterey Subdivision and to the 2010 Flood Fund for the City's match to repair erosion protection structures.

Requested Capital Outlays

Approved Capital Outlays

City Creek Ditch I	55,000
City Creek Ditch II	89,510
	<u>144,510</u>

\*Streets Dept.'s request approved in Final Budget in this fund.

**ECONOMIC DEVELOPMENT FUND**

The Economic Development Fund is a Special Revenue fund used to account for revenues restricted as to their use for specific purposes either by statute or by City policy. The Economic Development fund was the former industrial park capital project fund which was converted to an economic development fund to be used for the accumulation of assets to attract industry, purchase property, and to provide a source of funds for City participation in economic development.

**PARK IMPACT**

The Park Impact fund is a Capital Projects fund. The Park Impact Fee is collected for the purpose of allocating costs of future park, trail, and recreational facility project costs to new development (growth) that will be constructed to serve new developments. The Park Impact fee is only assessed to residential developments and is collected at the time a building permit is issued.

**STREET IMPACT**

The Street Impact fund is a Capital Projects fund. Street Impact fees are collected for the purpose of allocating costs of future roadways to new development (growth) that will be constructed to serve new developments. The Street Impact fee is assessed to both commercial (based on trip ends) and residential developments (based on density) and is collected at the time a building permit is issued.

**SALARIES & BENEFITS**

There are no salaries & benefits associated with this Capital Projects fund.

**MATERIALS & SUPPLIES**

**CAPITAL OUTLAYS**

Transfers are to the Public Works Capital Project Fund and the significant projects area as follows: \$800,000 partial funding for Indian Hills Drive; \$540,000 for 3000 E. Reconstruction Phase 1; \$950,000 for 3000 E. Reconstruction Phase 2; \$200,000 for one traffic signal; \$240,000 for the Little Valley Road improvements; and \$140,000 for general Intersection/Road Improvement projects (1000 E. and River Road).

**TRANSPORTATION IMPROVEMENT FUND**

The Transportation Improvement Fund (TIF) is a Special Revenue fund used to account for revenues restricted as to their use for specific purposes either by statute or by City Policy. In 1998, voters authorized a 1/4 cent sales tax, also known as the Highway Option Sales Tax, to be used for transportation-related improvements. The City of St. George invoked the Highway Option Sales tax on January 1, 1999 and in 2007, the State Legislature passed an increase from .25% to .30% on non-food items while deleting the tax on food items.

**REPLACEMENT AIRPORT**

This fund was created to account for revenues and expenditures for the construction of the new airport to replace the existing airport. Construction of the Replacement Airport is funded through federal grants, local sources, and other contributions. This will be a multi-year project until all grant funds and expenditures are realized. The general operations of the Airport continue to be budgeted through the Public Works Department in the General Fund. The Replacement Airport, which officially opened on January 12, 2011, is an incredible facility and asset to the citizens of St. George City and Washington County.

**2005 FLOOD PROJECTS**

In January 2005 the City of St. George and surrounding communities sustained significant damage to public and private property during a two-day flood disaster. The City incurred millions of dollars in repair and reconstruction costs for bridges, roads, parks, trails, utilities, and river channel dredging and armoring. The Flood Project fund is used to account for both the costs of reconstruction and to account for funding from FEMA, the State of Utah, other government agencies, and the City. This fund was closed out in Fiscal Year 2012 with the remaining balance transferred to assist with funding the City's match of federal funds for the 2010 Flood Projects.

**2010 FLOOD PROJECTS**

In December 2010 the City of St. George and surrounding communities sustained significant damage to public and private property during a three-day flood disaster. The City incurred millions of dollars in repair and reconstruction costs for bridges, roads, parks, trails, utilities, and river channel dredging and armoring. The 2010 Flood Project fund is used to account for both the costs of reconstruction and to account for funding from FEMA, the State of Utah, other government agencies, and the City.

**2012 FLOOD PROJECTS**

In September 2012 the City of St. George and surrounding communities sustained significant damage to public and private property during a flood disaster. The City incurred repair and reconstruction costs for mutual aid to neighboring cities, roads, trails, utilities, and debris removal. The 2012 Flood Project fund is used to account for both the costs of reconstruction and to account for funding from FEMA, the State of Utah, other government agencies, and the City.

**DIXIE CENTER OPERATIONS**

On January 6, 1997, the City of St. George and Washington County created the Washington County Intergovernmental Agency (WCIA) and formed a partnership with the purpose to provide for the acquisition, construction, equipping, operation, and maintenance of the Dixie Convention Center. The County's participation is 62% whereby their funding is provided through collection of a Resort Tax. The City's participation is 38% whereby funding is provided through collection of a Municipal Transient Room Tax (MTRT) on St. George hotels and motels, and is also funded through a transfer of sales tax revenue from the General Fund. The County's responsibility is to manage and oversee the facilities marketing and promotion, and scheduling events. The City's responsibility is to oversee the day-to-day operations including maintenance and event management. The agreement terminates after 30 years or such later date upon which all bonds of the Agency and other contractual obligations have been retired, but in no event later than 50 years after January 6, 1997.

**SELF INSURANCE FUND**

The Self Insurance Fund is used as an internal service fund whereby the City's departments and divisions are billed for their share of liability and property insurance. Liability insurance is allocated based upon the number of Full-Time "Equivalent" Employees and vehicles per department; and property insurance is billed based upon the proportionate share of property value covered. Miscellaneous claims are also paid from this fund.

**POLICE DRUG SEIZURES**

As the Washington County Drug/Gang Task Force collects monies for crime-involvement activities, they place it in this account. The money is then either returned to the owner or forfeited. All forfeited funds are sent to the State of Utah.

**RECREATION BOND DEBT SERVICE**

State Law (59-2-911) allows taxing agencies to add a tax levy for the purpose of paying debt service payments and providing for a sinking fund in relation to voter authorized indebtedness. The revenues collected from the levy can only be used for the purpose which the levy was made. In 1996, citizens voted for the issuance of General Obligation Bonds (\$18 million total) for the purpose of constructing recreational facilities. This Recreation Bond Debt service fund is used to account for the accumulation of resources and payment of the G.O. Bonds.

**2007 SALES TAX ROAD BOND**

In November 2007, the City issued Sales Tax Revenue bonds for \$24,775,000 for road and transportation projects. The funds will be expended over several years for the Mall Drive Bridge; the Dixie Center secondary access road; towards the City's match for the Southern Parkway and Atkinville Interchange projects; as part of the roads and parking for the Replacement Airport; and other transportation improvement projects. The bond is payable in semi-annual debt service payments over a ten-year period, maturing in May 2018. This fund will account for both the construction funding via transfers to other funds, and the debt service payments.

**2009 AIRPORT BOND DEBT SERVICE**

In Fiscal Year 2010, in recognition of the economic and community benefits of the Replacement Airport, Washington County agreed to participate with the Replacement Airport's construction funding by committing a portion of their Tourism, Recreation, Culture, and Convention (TRCC) taxes in the amount of \$700,000 annually over a 25-year period. The City then pledged this revenue stream to secure bond financing for the Replacement Airport project. The bonds were issued under the Build America Bonds (BAB) program whereby the City will receive a percentage of interest payments back from the Federal Government. This fund is used to reflect annual receipts from the County and the Federal Government, and the corresponding debt service. Debt service is shown at gross amounts and the refunds from the Federal Government are shown as revenue.

**AIRPORT PFC FUND**

The Airport Passenger Facility Charge (PFC) Program allows the collection of PFC fees for every enplaned passenger at commercial airports controlled by public agencies. Airports use these fees to fund FAA-authorized projects that enhance safety, security, or capacity; reduce noise; or increase air carrier competition. Participation in the PFC Program is done through an application process in which the FAA determines the maximum amount of fees that can be collected under each Application Number.

**HOUSING FUND**

As part of the adopted budgets for the Fort Pierce Economic Development Agency District's No. 1 and No. 2, the St. George Redevelopment Agency is required to use 20% of the tax increments received to fund affordable housing projects within the City. This fund accounts for the annual transfer of the 20% from the two Fort Pierce EDA Districts and will also account for affordable housing projects in which the City participates.

**PUBLIC TRANSIT SYSTEM**

The City's public transit system, SunTran, is a division in the Public Works Department. SunTran buses provide 40-minute route service on four routes and over 60 bus stops throughout St. George, Monday through Saturday. SunTran also provide paratransit bus services. A large portion of SunTran's funding is through Federal grants due to the City being designation as a Metropolitan Planning Organization (MPO) area in 2004. Additional revenues are through rider fares, advertising fees, and grant-match funding through the Transportation Improvement Fund.

**JOHNSON DINOSAUR DISCOVERY SITE**

In February 2000, Dr. Sheldon Johnson discovered dinosaur tracks at farmland owned by the Johnson Family. The discovery was significant to the citizens and scientific community and led to the construction of the Johnson Dinosaur Discovery Site building funded by local, state, and federal funding and also through public donations. The mission of the Dinosaur Discovery Site at Johnson Farm is to research, preserve, and exhibit the fossil resources and story for the benefit, education, and enjoyment of the community, the general public, and the scientific world. In Fiscal Year 2010-2011, the City Council authorized turning the full operations responsibilities of the museum to the Dinosaur Foundation. However, ownership of the site and building will remain the City's and therefore the existing fund balance will be retained to fund future capital outlays.

**COMMUNITY DEVELOPMENT BLOCK GRANT FUND**

The Community Development Block Grant (CDBG) program is a flexible program that provides communities with resources to address a wide range of unique community development needs. The CDBG entitlement program allocates annual grants to larger cities and urban counties to develop viable communities by providing decent housing, a suitable living environment, and opportunities to expand economic opportunities, principally for low- and moderate-income persons. The City of St. George became an entitlement city in 2004 when it was designated as a Metropolitan Planning Organization (MPO).

**DOWNTOWN REDEVELOPMENT**

The Downtown Redevelopment Agency encompasses approximately 14 blocks in the downtown area of the City from 500 East to 100 West on both sides of the St. George Boulevard and along Tabernacle. Tax increment from new development is used to make improvements in that area. This agency was extended to 2015 by Interlocal Agreement with the County, School District, and Washington Water Conservancy District.

**DIXIE CENTER ECONOMIC DEVELOPMENT AGENCY**

In October 1997, the City Council authorized participation in the I-15 (Dixie Center) Economic Development project which allows the St. George Redevelopment Agency to collect tax increment from the Dixie Center project area. Tax Increment revenues are authorized to be used in funding land acquisition, roadways, and other utility infrastructure improvements which foster economic development. The district was invoked January 1, 2006 and has a twelve-year term.

**COMMUNITY DEVELOPMENT AGENCY - FORT PIERCE**

This fund was created to promote economic development activity in the Ft. Pierce Business Park. Taxes paid on new developments are used to complete infrastructure improvements and provide economic incentives to attract businesses to the St. George area if they meet requirements established by the City and Washington County Economic Development Agency.
