

City of St. George
Blasting Air Quality Application ADDENDUM

Project Name: _____

Project Address/Location: _____

Blasting Company: _____

Company Address: _____

Business Phone #: _____ Fax #: _____

Business License #: _____

On Site Contact: _____ Mobile Phone #: _____

LIMITED DETONATION INFORMATION:

Hours for the detonation of explosives shall be limited to between 8:00 am and 5:00 pm Monday through Friday and shall not proceed beyond these hours or on Saturday, Sunday, New Years Day, Memorial Day, 4th of July, Labor Day, Thanksgiving Day, or Christmas Day without prior approval from the City.

Blasting shall be limited and conduction only during favorable weather conditions. No blasting shall be allowed when the National Weather Service forecasts sustained winds above thirty miles per hour (30 mph).

Blasting activities occurring within 1,000 feet of sensitive areas shall receive a higher level of preventative planning. Sensitive receptors include schools, housing, hospital and care facilities and business areas.

Identify the method(s) to be used for dust control.

- Pre-watering before detonation
- Post-watering after detonation
- Other (Describe) _____
