Allow six weeks from receipt of complete application and documents to receive your rebate.

I hereby certify that all information is accurate, including claims of customer and equipment information. I have purchased and installed a qualifying toilet per the attached receipt as a replacement for toilet installed prior to the year 2008. I have read all terms and conditions on this form and acknowledge that City may verify all the information provided. I understand and agree that my water utility account may be monitored by the City of St. George for the sole purpose of evaluating prior and post rebate water use in order to determine the effectiveness of the program. I understand that submission of this application DOES NOT relieve me of my obligation to pay my utility account on time and in full while waiting for the rebate to be processed.

Rebate Availability

City rebate program has been approved by the City Council and may be subject to change or modification at any time. Replacement toilets must be new, must be purchased and installed prior to submitting a rebate application, and must have been purchased and installed on or after July 1, 2020. Applications must include all information requested. Failure to provide this information may result in the delay or denial of the rebate.

Rebate Qualification

This program is open to existing City of St. George residential water utility customers. This program offers a rebate replacement an older (pre-2008) model toilet with a **WaterSense** labeled toilet. A list of toilets which qualify for the rebate can be found on the EPA's WaterSense website: <http://www.epa.gov/watersense>. This program will run from **July 1, 2020 until June 30, 2022** or funds are depleted, whichever occurs first. The original meter set date will be used to determine the age of the toilet being replaced, i.e. if the set date is December 31, 2008 or earlier, applicant is eligible for the rebate.

Application Details

Applications are subject to verification by City. If your application is selected for verification, it will not be processed until the verification process is satisfactorily completed. Rebates will be paid in the form of a credit issued on the utility account. The exception to payment in the form of a credit on the utility bill will be made for a land-lord making improvements to a single-family residence that is a rental unit or City of St. George Water Services customers on the Dixie Escalante Electric system who pay their water bill through a common Home Owners Association water utility account.

City is not responsible if your retailer or contractor provides inaccurate information about the amount and/or conditions of the actual rebate and City will not pay rebates for fixtures that are mislabeled or misrepresented by dealers regarding rebate qualifications.

Rebate Limitations and Limitation of damages

Payment of the rebate by City does not warrant the performance of qualifying/installed replacement toilet and does not guarantee any specified amount of water or cost savings. The customer shall independently evaluate any information related to the qualifying toilet.
