

ST. GEORGE POLICE DEPARTMENT PARADE PERMIT APPLICATION INSTRUCTIONS

Dear Parade Applicant:

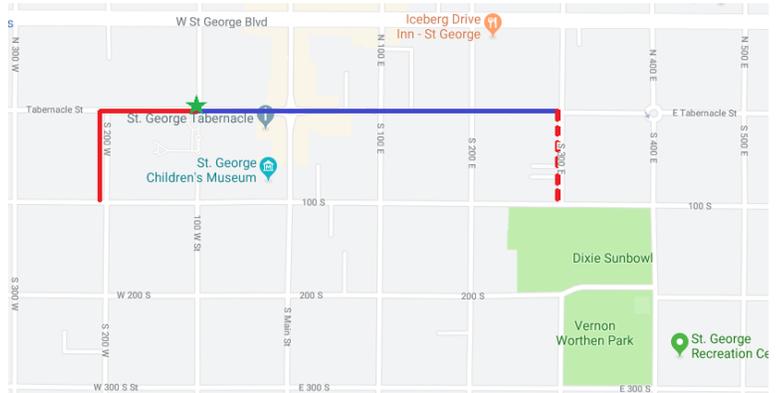

As you consider the attached parade application, we recommend that you use the following parade route:

Line Up:

Line up at 100 West Tabernacle: This will allow you to use Tabernacle from 100 West to 200 West and then go south on 200 West to 100 South and the parking area on the east side of 200 West for lining up participants.

Route:

The Parade should  start at 100 West and travel east on Tabernacle to 300 East where it will end. Parade participants may disperse on Tabernacle and 300 East to 100 South where roadways will be closed.

The route is level so that marching/walking groups can complete the route with ease regardless of age.

This route also provides for a maximum of viewing areas along the business area of downtown St. George. Because it is in the business area, there are adequate parking areas for vehicles.

Additional routes may be approved upon request.

Handouts:

In the interest of public safety, candy, fliers, Frisbees, or any other items handed out along the parade route are not to be handed or thrown from vehicles or floats. All items distributed shall be outside of the farthest outside travel lane (typically outside the white fog line). Violating this requirement may result in removal from the parade and denial of future applications.

It is the responsibility of the parade permit applicant to ensure all parade participants are aware of, and understand these requirements.

Bond:

In the event it is expected that the parade will result in the necessity of street cleaning, has the potential for unusual noise or other disruption of commercial activity in the City, or will otherwise pose a hazard to the order and economy of the City, the Chief of Police may in his discretion require the permittee to post a bond in an amount not to exceed \$5,000.00 to assure compliance with the standards and conditions required in the permit.

Notice of Rejection:

The Chief of Police will act upon the application for a parade permit as soon as possible. If the Chief of Police disapproves the application, he will mail the applicant a notice of his action, stating the reasons for his denial of the permit.

Alternative Permit:

The Chief of Police, in denying an application, may authorize the conduct of the parade on a date, at a time, or a route different from that named by the applicant. An alternate parade permit will conform to the requirements of, and will have the effect of a parade permit under this Ordinance.
