The City of St. George reserves the right to reject any and all proposals, and to waive irregularities and informalities in the submittal and evaluation process. This RFP does not obligate the City to pay any costs incurred by respondents in the preparation and submission of a proposal, including but not limited to a respondent doing an onsite scripted product demonstration. Furthermore, the RFP does not obligate the City to accept or contract for any expressed or implied services.

A vendor response that indicates that any of the requested information in this RFP will only be provided if and when the supplier is selected as the apparently successful supplier is not acceptable, and, at the City's sole discretion, may disqualify the proposal from consideration.

The City of St. George assures that no person shall, on the grounds of race, color, national origin, or sex be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity. The City of St. George further assures that every effort will be made to ensure non-discrimination in all of its programs and activities, whether those programs are federally funded or not.

In addition to nondiscrimination compliance requirements, the Supplier(s) ultimately awarded a contract shall comply with federal, state and local laws, statutes and ordinances relative to the execution of the work. This requirement includes, but is not limited to, protection of public and employee safety and health; environmental protection; waste reduction and recycling; the protection of natural resources; permits; fees; taxes; and similar subjects.
