St. George Safety Town needs YOUR creative touch!
One of the unique elements of our Safety Town program is that the participants design the t-shirt each year. The top designs are selected and featured on the program t-shirt along with being recognized on St. George City’s Safety Town webpage. sgcity.org/safetytown

**T-Shirt Design Contest Rules:**
1. Use this form ONLY to create the original artwork
2. Only use a dark pen or black marker to create your drawing. Please do not color the artwork because it will not transfer well to the shirts.
3. Return the art entry to the St. George Leisure Services Office (220 North 200 East) by **Friday, May 28** no later than 5pm.
