Pioneer Park is located off of Red Hills Parkway and is an adventurers dream. Explore the sandstone rocks and find an old pioneer's cabin. Check out and weave your way through the St. George Narrows. Test your eye to find the small arch in the park and see if you

can spot desert tortoises roaming the area.

The [Red Hills Desert Garden](#) is also located in the park and offers a variety of plants that are found throughout the southwestern United States, a stream, and dinosaur tracks.
