## **City temporarily restricting events due to surge in local hospitalizations**

**ST. GEORGE** — Due to the surge in local hospitalizations, the City of St. George has decided to cancel a number of events and sports tournaments. After consulting with healthcare providers, the City is temporarily restricting events that bring large numbers of people to our community.

The canceled events include the Snow Canyon Half Marathon (Nov. 7), the Skillz and Thrillz Challenge (Nov. 14), the Seegmiller Farm Harvest Days & Turkey Trot (Nov. 21) and Kick Off to Christmas & Santa Dash (Nov. 30), and others.

We will provide updates as necessary.

CITY OF ST. GEORGE
